

Call for Abstracts

Carleton Cognitive Science Graduate Conference

We are pleased to invite abstract submissions for the **Carleton Cognitive Science Graduate Conference**, to be hosted in an online format by the Department of Cognitive Science at Carleton University, on **Friday, April 9 and Saturday, April 10, 2021**.

The central aim of the conference is to provide a venue for graduate students in cognitive science--at both the Master's and Ph.D. level--to present and receive feedback on their work, and to interact with each other in a friendly, supportive, and inclusive environment.

We welcome submissions that make an original contribution to research topics in any of the sub-disciplines of cognitive science, including: philosophy of mind/language/cog sci, linguistics, cognitive psychology, cognitive neuroscience, computer science & AI, cognitive anthropology, and education. We especially encourage submissions from members of underrepresented groups.

Please see below for submission instructions and details. If you have any questions, please don't hesitate to contact the conference organisers at ccsspringconference@gmail.com.

Sincerely,

Conference Organising Committee

Submission Instructions

Abstract submission deadline: **Monday, March 1st, 2021.**

We welcome submissions for **either poster presentations or talks.**

Submissions should include:

- An anonymized abstract of max. 300 words.
- A **separate** cover page with identifying information (name, institutional affiliation, and department), and an indication of whether the author would like their submission considered for (i) poster only, (ii) talk only, or (iii) both.

All submissions should be in PDF format and sent to ccspringconference@gmail.com
